1. **Tony Boyle – Public Health neighbourhood manager**

Ruth explained as this was our final year of community first we could focus more on health issues with in our area a discussion took place covering the following

- Alcohol
- Respiratory issues
- Early detection of cancer
- Public health strategy
- Liverpool Community Health
- GP's to have lists of local community services
- Bowel cancer screening
- Health Trainers

2. **Paul Bennett –Health Trainer PSS**

Paul explained the service he provides and how the referral to the health trainer happens he explained what the process was.

3. **Request to Tony Boyle-**

The panel felt the GP's should have more input from the local community the panel suggested setting up an Anfield health watch forum would Tony take to the GPs panels the suggestions from a community health forum.

Panel to discuss at the next meeting.

Both Tony and Paul were thanked for coming and left the meeting 5 minute break..

Minutes and Matters arising – Previous minutes agreed and signed by Margi Thornley & Billy Marrat

4. **Meeting Recommended - Applications**

- **Mersey Media** – The panel requested further information on the application Jill to email and ask the following questions – The training of Anfield people how will the people for training be chosen what is the selection process? Panel want to be involved in the selection process with direct input into who is chosen. Equipment requested will that equipment be used in Anfield or in the Wirral training centre? Transport how will the people doing the training get to the Wirral? Deferred till further information received
- **Rawdon-** There was concern that the Community First office would reject this application as Rawdon has received funding in November Jill to contact

community first for clarification. Deferred till further confirmation from community first.

- **PCA** – Usually applications for trips ect. Will not be passed as we like a lasting legacy on all the applications however The Panel understand this application demographic and the impact the trips will have on the community ad the difference it will make to the people living in the area and the lasting impact it will have on the positive intergeneration attitude to all those who live and participate in the trips Application approved.
